age of Thai
farmers was

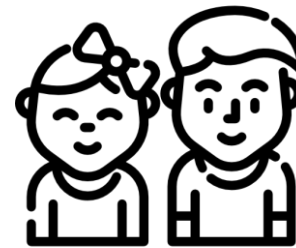

56

and over 60
years was

12.5%

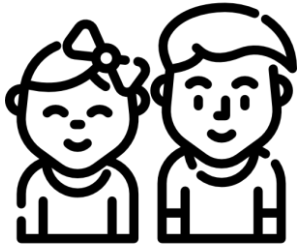

Move

Rural

New generation people in
urban city

New generation people

Young farmer

To make the
good attitude
and popularity of
the agriculture
career

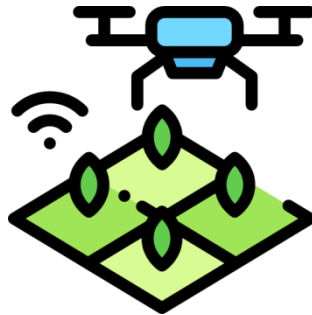

To disseminate
the knowledge
and their skilled
on the
fundamental
agriculture

To prepare
themselves to be
the farmer

Necessary Activities

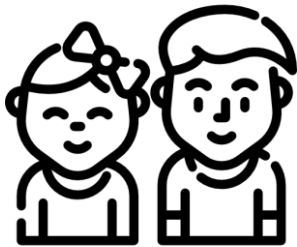

Training/Incubation agriculture skill by doing

Use new technology

Expected Outcome

New generation people

Young farmer

Time Frame
