We have partnerships with ASEAN universities
in FOOD industries and HUMAN resource development.

afh (ASEAN FOOD industries HUMAN resource development association) have partnership programs with ASEAN universities. We provide the students to the opportunities of advanced learning of Japanese Food Industries, the Job opportunities of Japanese food companies and the experience of Japanese food culture.

This project has been implemented with the 10 partner universities in ASEAN region and MAFF (Ministry of Agriculture, Forestry and Fisheries) in JAPAN. It was established in 2014 for the purpose of sharing the knowledge of "Japanese-Food-Value-Chain" to ASEAN countries by accelerating commemoration of the 40th anniversary of friendship and cooperation between ASEAN and Japan in 2013.

afh expand the Friendship and Cooperation between ASEAN and JAPAN!
